

QUOTE OF THE WEEK

VARIATIONS ON THE THEME OF ETHICS

A dalliance between an inquisitive mind and Aria.

TOPIC 7

Ethics is a branch of philosophy

This is a statement. It is fact
It is not an excuse to talk words
that are empty of meaning
It is a time to resolve, and ACT upon

Ethics is a branch of philosophy
that deals with discerning Right
from Wrong, and it significantly
influences how people lead their lives.

This is a statement. It is fact
It is not an excuse to talk words
that are empty of meaning
It is a time to resolve, and ACT upon

Words are at the least, hypothetical
At the best, words of intention to act upon
Actions carried out under a clear vision
are actions that will count.

More so they will be repeated
In repetition, refined; in being refined
Reinforced, they become more than a habit
They become a way of Life, The Way of Life
